Bred AI to the 30358 Clark Nov. 14, and then in pasture with our Promise
bull. Her dam was considered to be the top daughter of Leader 21. by Bob
Gordon. An inbred cow excelling her second calf a heifer born Sept. 13, by
the Promise bull. We are terribly impressed with the Clark cattle, so don't
pass up this opportunity. Our Big Little heifer that saved so well last
fall is out of her sister. This young cow has worked hard under tough
environmental conditions the last 18 months.
